San Salvador, May 14.—General Josquin Lopez, who displayed great bravery at the battle of Chalchuss, has been priered to take command in Sonsonate, where it is thought the rebels will make their last stand. The greater part of Sauta Ana was destroyed and the rebels there are said to be surrounded. President Ezeta has returned and turned over the command of the army to his brother, Antonio, who is

THE SURZ CANAL SCANDAL London, May 16 .- A dispatch to a news agency from Cairo says a criminal indictment has been lodged at Paris on behalf of Egyptian notables against Count Ferdinand de Lessops and the early directors of the Suez Canal Company for the misappropriation of money. The claims amount to several million pounds and are based upon documents given under the seal of Said Pasha, the Vicercy of Egypt, by which, in accordance with the acts of concession, he conferred founders and ordinary shares upon the members of his household. The case is expected to equal the Panama Canal scandal in importance.

CENTRAL AMERICAN TROUBLES. New York, May 17 .- The World's San Salvador special says: A large party is organizing here and in Guatemala and Honduras to agitate in favor of annexation to Mexico. Another party in Honduras and Nicaragua prefers a British protectorate. Many families are emigrating. A high military officer says President Ezeta is deceiving the outside world, that

he has not won any such brilliant victories as he reports, and that the losses of the Government troops are larger than announced in the bullstins. Present Ezeta, distructing General Josquin Lopez, who lought bravely for him, has sent him south. Bad feeling is spreading among the army officers and Govern-

ment people. If there is fair play in the approaching elections the Ezeta family will be driven from power.
